## Commissioner for Patents

The reply filed on 09 June 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s) See 37 CFR 1.111: The substitute specification has not been entered because it was not accompanied by a statement that the substitute specification contains no new matter, it was not accompanied by a marked up version of the amended specification, and the clean copy of the substitute specification did not contain paragraph numbers (see 37 CFR 14.125 and 1.121, MPEP 608.01(q) and 714.22). The amendment to the claims filed 09 June 2003 has been entered, and the declarations under 35 U.S.C. 1.132 by Oberthaler and Pastor have been entered. Those portions of the amendment filed 09 June 2003 that have been entered should not be refiled in response to this letter.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
